## Agenda for this class meeting

- [5 min] Calendar Review → review of what is due when
- [2 min] Module02 is flipped → prep materials will be posted by 8pm on Monday
- [5 min] Discussion of Mod01 Reflection
- [5 min] Discussion of Mod01 Quiz
- [10 min] Recap of Phases for pod-based activities: Planning, Doing, Submitting
  - [next slide] phase checklist
  - document management → o360 suite vs google
- [50 min] Pods go into Breakout rooms
  - complete the checklist, coordinate re: remaining activities
  - pod-based time to work on Mod01 Dark Pattern Analysis

# Mod01 Dark Pattern Analysis Activity: Checklist for Phases

- also available on eclass

“Mod01 Dark Pattern Analysis : Checklist for Phases”

# Planning

- ❑ does everyone know one another?
- ❑ are all pod members connected with one another?
- ❑ missing pod members? good-faith effort to reach out?
- ❑ has a strategy been selected for dividing up the work?
- ❑ are the roles established and mutually understood?  
workers, checkers, coordinator (leader), submitter
- ❑ is the timeline established? is there a clearly understood wrap-up time for each of the planning, doing, submitting phases
- ❑ how will the pod communicate? (expectations re: responsiveness?)
- ❑ how will the pod manage content? shared documents?

## Doing - foundational

- ❑ have all records been coded? are comments added where needed?
- ❑ have all codes and comments been checked by another person?
- ❑ have lists been built for each dark pattern type?
- ❑ has the best illustration been selected for each dark pattern type?
- ❑ has the teamwork planning work been captured into a document?

## Doing – assembling/checking

- ❑ is data workbook ready for submission? has the document been checked for conformance?
- ❑ is gallery ready for submission? does it include the required elements? has the document been checked for conformance?
- ❑ is the teamwork planning work document ready for submission? has the document been checked for conformance?

## Submitting

- ❑ does the submitter have access to all of the polished documents by the start of the submission phase?
- ❑ does the pod have any members who did not contribute to the deliverables?
- ❑ has the submitter completed the submission of all files on behalf of the pod?
- ❑ has the submitter sent a message to the pod members to confirm submission? (preferably with screen shot)

# Wrap Up

- we're done for today
- questions?
- see you next class
